## Hospitality Industry

**Longest Running Food Borne Illness Business Interruption Insurance**  
*Since 1998*

Industries that serve food are exposed to food borne illnesses and they are governed by the Health Departments (state and/or local).

### Check Your Client's List For These Industries:

Sport Venues	Convenience Stores	Book Stores	Movie Theatres
Museums	Bowling Alleys	Hotels	Department Stores
Zoos	Skating Rinks	Coffee Shops	Candy Store
Amusement Parks	Dance Halls	Resorts	Water Parks

**(OR ANY INDUSTRY THAT SERVES FOOD)**

Hospitality Industries can be underwritten on their total revenues, not just food and beverage. Therefore, if a food borne illness outbreak occurs, the policy responds to business interruption for both the food/beverage revenues AND the revenues of the establishment (i.e. ticket sales, retail sales, room revenues, etc.)

Additionally, **exclusive** to the Trade Name Restoration Program, is the Hospitality Endorsement. This endorsement provides coverage for Premises Contamination (named pathogens such as Legionnaires) and Chlorine Contamination for additional premium.\*

### Exclusive Access to Crisis Management:

- Trade Name Restoration (TNR) includes **24/7/365** crisis hotline services provided by Specialty Risk Management (SRM) & these expenses are paid by underwriters.
- Crisis Management expenses are outside the applicable Limits of Indemnity - No Deductible Applies.
- Contact us to learn about crisis management benefits and on-going support provided by SRM.
